

SEMILLAS DE UNIDAD GIVING TREE
Spreading Holiday Cheer

This holiday season, bring joy and give the gift of learning! Through the Semillas de Unidad Giving Tree Campaign you have the opportunity to make an impact on the life of a child!

Seven years ago, Semillas de Unidad (SdU) started as a tutoring program to address the educational gap Hispanic/Latino students often face. SdU has evolved into a unique community collaboration that improves educational outcomes for Hispanic/Latino students and creates cross-cultural support systems for Hispanic/Latino families.
